**Bold type indicates the elected candidate(s).**

\*\*Write-in votes were received, but the EAC must contact and seek acceptance from the write-in candidates before making an official announcement.

\*\*\*According to Ballot Measure 1.N, which passed during the 2024 election cycle, each school will now be represented by one senator regardless of the size of the school. This change has resulted in a Special Election between the IAS Senate candidates. The results of the Special Election will be announced at 5pm on May 29, 2024.
