1300.00 PURPOSE OF ESTABLISHING AN ORDER OF SUCCESSION

1300.01 In the case of a vacancy in the ASUWT Executive Board, a line of succession will be established so to fill the vacancy in the most democratic, but expedient, manner. This will ensure that the responsibilities of the role can be filled in the fastest possible manner and overall organization of ASUWT may continue to function as usual.

1301.00 PARAMETERS TO ENACTING THE ORDER OF SUCCESSION

1301.01 In the case of a vacancy in the ASUWT Executive Board, the ASUWT Senate will be tasked with calling for a vote to decide if they want to go through the appointing process through the line of succession or if they would like to hire outside of ASUWT.

1301.02 If the Senate votes proceed through the appointing process, they will interview the outlined “successor,” so that they may make an educated decision on whether to proceed with a vote to appoint the “successor” into the vacant position. The Senate will make the official vote during an official meeting.

1301.03 If it is determined by the Senate that the “successor” would not be the best fit for the role, then the standard hiring process will be enacted and will function as previously established.

1301.04 If it is determined by the Senate that the “successor” is fit for the open position, and they would like to offer them said position, a meeting will be scheduled to offer the position and discuss next steps.

1301.05 If the “successor” is offered the position but chooses to decline, then the standard hiring process will be enacted and will function as previously established.

1302.00 THE ORDER OF SUCCESSION

1302.01 The process of determining the successor is based on what would make the most sense for the specific role and will ensure the smoothest transition so that ASUWT may conduct business as usual. This has been determined by the current sitting administration of ASUWT.

1302.02 The order of succession for management members of ASUWT will be as follows:

- The President will be succeeded by the Vice President;

- The Vice President will be succeeded by the Director of Internal Affairs;
- The Director of Internal Affairs will be succeeded by the Speaker of the Senate.

1302.03 If the Speaker of the Senate seat is vacant, whether through succeeding the Director of Internal Affairs, resignation, or removal, the ASUWT Senate will be tasked with electing a new speaker and hiring a new Senator to represent the former's school.

1302.04 The Director of Outreach and Director of Legislative Affairs will be succeeded by their hired staff, functioning as follows:

- The Director of Outreach will be succeeded by the Multimedia Specialist.
- The Director of Legislative Affairs will be succeeded by their Legislative Liaison;
- If it is determined by the ASUWT Senate that the Legislative Liaison is not fit or declines to succeed the Director of Legislative Affairs, the City Liaison may also be considered for the position, as determined by the Senate.

1302.05 The Director of Student Technology will be succeeded by the vice-chair of the Student Technology Fee Committee.

1302.06 The Director of Finance will be the only position without a direct line of succession. If the Director of Finance position is vacant, all financial responsibilities will be transferred to the President until a new Director of Finance is hired through the standard hiring procedure.

1401.03 The Director of Internal Affairs is responsible for ensuring that all members are held accountable to the staff policies for all elected and hired staff. In the event that the Director of Internal Affairs is held in violation, the ASUWT President is responsible for ensuring accountability.

TITLE XV - Post-Election Hiring Policies Regarding Incoming Administration

1500.00 PURPOSE

1500.01 This process is to establish a clear and structured process to ensure a smooth transfer of power while providing the incoming administration with the opportunity to prepare for the upcoming academic year and make decisions regarding hired staff.

1501.00 COMMUNICATION BETWEEN ADMINISTRATIONS

1501.01 At the conclusion of the ASUWT Election in Spring, after results have been confirmed and announced, the outgoing and incoming administrations should establish regular communication to coordinate a seamless transition of power.

1502.01 The incoming ASUWT President, Vice President, and Director of Internal Affairs are provided the following two opportunities for participating in the hiring process for the upcoming academic year's hired staff positions:

1. The incoming President, Vice President, and Director of Internal Affairs will serve on the hiring committee by reviewing and interviewing candidates for hired staff positions with the outgoing administration.
2. The incoming and outgoing administration may be selective regarding which positions to hire for prior to the incoming administration assuming office.
3. As outlined in the ASUWT Bylaws, all hired staff are decided by the ASUWT Executive Board. The incoming administration members are encouraged to attend Executive Board meetings where hiring decisions are being made to ensure their preferences are voiced. However, the incumbent administration retains the authority to make the final hiring decisions through their vote.

4. By selecting this choice, the incoming administration understands that their participation in the hiring process is uncompensated as they are not formally in their roles until Commencement.

Option #2 - Deferral of Hiring Authority

The incoming President, Vice President, and Director of Internal Affairs waive their right to begin hiring for the incoming administration's hired staff while the outgoing administration is still in office. In doing so, the following would occur:

1. The incoming administration may work with the ASUWT Advisor to ensure that job postings for the upcoming academic year are prepared and published on Handshake prior to Commencement. However, this is not required.
2. The outgoing administration is prohibited from interviewing or contacting candidates for hired staff positions in the incoming administration during this time.

1502.02 The incoming ASUWT President, Vice President, and Director of Internal Affairs shall decide which option they would like to pursue by within 10 school days after election results have been confirmed in a written agreement. The written agreement will consist of:

1. The selected option (Option #1 or Option #2)
2. If Option #1 is selected, which positions will be hired for
3. Acknowledgement that the incoming administration is aware that they will not be financially compensated.
4. Signatures from the following:
 - a. Incumbent President, Vice President, and Director of Internal Affairs
 - b. Incoming President, Vice President, and Director of Internal Affairs
5. A copy of the signed agreement will be digitized and shared among all parties, including the ASUWT Advisor.

If no decision has been documented within the required timeframe, the outgoing administration will default to Option #2.
